

*Sit back and sip!*

This handy guide will help you figure out not only what to watch tonight, but what to drink with it. Pick out a movie, pick up a sixer, and get some food, because you'll probably be getting drunk.

SIERRA NEVADA OTRA VEZ 4.5%	+	BUTCH CASSIDY AND THE SUNDANCE KID 1969
--------------------------------------	---	--

+ This thirst-quenching gose is remarkably light and palatable. Brewed with prickly pear cactus, the tangy flavor is nostalgic and distinct. Like Butch and Sundance's bank games, you'll always want just one more.

*Sip every time the gang hits a bank or there's a shootout.*

ROGUE DEAD GUY ALE 6.5%	+	WEEKEND AT BERNIE'S 1989
----------------------------------	---	-----------------------------------

This Maibock-style ale is delectable and flavorful. It pairs perfectly with dinner and a movie, especially when the movie is about, well, a rogue dead guy. The 6.5 is sure to make you feel like Bernie in the morning, if you're not careful.

*Sip every time someone touches a dead body.*

TRÖEGS DREAMWEAVER WHEAT 4.8%	+	NIGHTMARE ON ELM STREET 1984
--	---	------------------------------------

This refreshing pils is just right to sip while you're scared shitless. Unfiltered and cloudy, this downright tasty brew is a dream come true, pairing perfectly with nightmares.

*Sip every time someone falls asleep or dies.*

YARDS LOVE STOUT 5.5%	+	WHEN HARRY MET SALLY 1989
-----------------------------	---	---------------------------------

This balanced coffee chocolate stout is available (and recommended) on nitro. It is rich and creamy, and gets along with everyone, unlike Harry. Smooth throughout, with a slight bite at the end, this brew is the exact opposite of Harry and Sally's relationship. But opposites attract, right?

*Sip every time Harry and Sally argue.*

WISEACRE GOTTA GET UP TO GET DOWN 5%	+	SATURDAY NIGHT FEVER 1977
---	---	------------------------------------

This coffee milk stout is the ideal start to a night of boogie. A delicious and lush brew, it's like a roasty, columbian bean vodka redbull, chock full of smooth and nuanced flavor and crafted to get you on the dancefloor.

*Sip every time you see a disco ball or should be dancing (yeah).*
